EDUCATION

Carnegie Mellon University, Pittsburgh, PA — May 2027
Bachelor of Science in Cognitive Science (AI Concentration); additional major in Human-Computer Interaction
GPA: 3.5

Gill St. Bernard's School, Gladstone, NJ — June 2023
Honors: Cum Laude, Rochester Institute of Technology Award for Computer Science — April 2022

EXPERIENCE

Data Scientist (remote) — May 2026 - Present
Mudrick & Associates

- Working directly with multiple clients to help visualize data by creating several web pages (cloud costs for FinOps and analytics for interactions) on Azure with backend API querying (SQL) and frontend (Next.js)
- FinOps: created a cloud costs page to display clients' spending on cloud services
- Developed an analytics page to show interaction with clients' web apps
- Extracted multiple features during a feature engineering project to help client improve a prediction model

Undergraduate Student Researcher, Pittsburgh, PA (in-person) — May 2025 - Present

- Working with Dr. Maggie Henderson in the Psychology/Neuroscience/ML Departments
- Using pre-trained models on object classification to expand into the facial recognition task through Python/PyTorch, Jupyter Notebook
- Conducting further data analyses on previous results and presenting a poster of such findings

Data Analyst, Pittsburgh, PA (in-person) — January 2026 - Present
Students Using Data for Social Good

- Collaborating with a group to provide insightful statistical analyses for Peachy Day, a migraine-tracking app
- Giving presentations and communicating with the tech lead and founder on our results

Teaching Assistant, Pittsburgh, PA — Aug. 2025 - Present

- Courses: Cognitive Psychology & Summer Undergraduate Research Apprenticeship
- Creating and grading quizzes, exams, and homework questions
- Hosting exam review sessions and office hours to further support students

Lead Math Tutor, Pittsburgh, PA — Oct. 2024 - Present
PLUS (Personalized Square Learning)

- Weekly tutoring with middle school students in math exercises

SKILLS AND INTERESTS

Software: Python, PyTorch, Databricks, Azure, SQL, Figma, R, Java, Qualtrics, iMovie, Unity, GameMaker Studio
Languages: English (native), Chinese (professional)
Interests: Traveling

ACTIVITIES

TEDxCMU (Co-President), CMU Running Club (Mentor)
